DAYARA BUGYAL

DAYARA BUGYAL

The few paths they explored leading to the trails proved to be even more rewarding. With spectacular views of the mountains and clear water splashing across the meadows, it turned out to be one of our most beautiful treks.

An ideal trek for long weekends, Dayara Bugyal can be a perfect start for beginners. The Dayara Bugyal trek passes through open countryside and dense forest at various points and ends at a vast expanse of lush green meadows. Most of the trekkers start their trek from Barsu village and go down via Raithal to see the scenic beauty of both Dayara Bugyal routes. Most of the treks passing through this altitude in Uttarakhand boast of great forest trails. But the forest you walk through here stands out. You won't find any pine trees here. Rather, the trails here abound with brown and green oaks and rhododendrons. Unlike pines, the roots and leaves of these trees enrich the soil, thereby contributing to the richness of the forest. If you are a fan of hiking and peace, this is the perfect trek for you! Here we bring you one of the most beautiful treks in Uttarakhand with tranquil valleys with streams of water flowing through high-altitude meadows and vibrant flora and fauna. A perfect choice for beginners as the Dayara Bugyal trek is easy to walk. The Dayara Bugyal trek is home to snow-covered trees, stretches of snow-covered forests, cattle grazing in the greenest meadows and the green pastures in these mountains have always been celebrated by shepherds around. This trek is exactly how kids would describe the scenery while putting together a piece of art during their school days. Mountains, snow peaks, meadows, this is an almost unimaginable dream come true. The trek is a collection of scenic views of the Bandarpoonch peak and many others in the Himalayas. The Dayara Bugyal trek includes a full day drive, easy walks to villages, steep climbs to the top and an exploratory step down. The view is not easy to describe but in short, expect to see lots of greenery around you, with villages at certain breaks, a brilliant peak and an absolutely tantalizing view of Black Peak, Bandarpoonch, Bhagirathi and countless other mountains.
